

NowRx Referral Program

Terms and Conditions

Last updated: January 1st, 2020

The [NowRx Referral Program](#) (“The Program”) allows existing customers (“Customers”) of NowRx (“Company”) to earn Visa Gift Cards (“Credits”) by referring Friends to become customers of NowRx.

To participate, Customers must read and agree to the NowRx Referral Program Terms and Conditions.

How to Earn Credits

Members can earn Credits if: a referred Friend, which NowRx previously had no information on or contact with, has a prescription filled, within 120 days of referral, by NowRx Pharmacy. The referring Customer cannot earn Credit for (i) a referred Friend that previously submitted information to NowRx, (ii) previously filled a prescription with NowRx pharmacy, or (iii) filled a prescription with NowRx using a different email address than what was provided as a referral.

The referring Customer will be credited with a \$20 Visa Gift card for each new individual customer they refer that fills at least one prescription through NowRx up to a max of \$1000. Multiple prescriptions filled by the same individual will only count as one new individual customer, regardless of who the medication is taken by or intended for. If the prescription is cancelled at any time before payment is received or if a refund is requested, all referral credits will be null and void.

Please note that no credits, cash, benefits, rewards, or coupons can be given for referring prescriptions paid for by Medicare/Medicaid.

Redeeming Credits

Credits will be tallied and mailed and/or delivered once per month in accordance with NowRx delivery routing logistics or any method the company deems necessary or convenient for the purpose of their business operations.

Credits may not be earned by creating multiple NowRx users/accounts. Credits accrued through multiple NowRx accounts by the same user will be considered null and void.

If for any reason you believe that there is a discrepancy regarding your Credits, please contact us at info@nowrx.com and provide all relevant documentation so that we may investigate. We may require you to submit additional information in order to make an appropriate determination regarding your Credits. All decisions regarding Credits will be final and at the sole discretion of NowRx.

You are responsible for any tax consequences, if any, that may result from your redemption or use of Credits.

Sharing Referral

Referrals should only be used for personal and non-commercial purposes. Referrals must not be solicited in any way, shape or form for commercial profit, including but not limited to posting on social media, publishing on a commercial website, sending requests out to a commercial mailing list, etc. Any Customer of NowRx found or suspected to be abusing or misusing The Program will have all referral credits immediately and permanently revoked. If NowRx suspects any member of violating these terms, NowRx may suspend, void, or take any action they deem necessary to protect the integrity of The Program.

Multiple Referrals

A referred Friend may only use one referral. If a referred Friend receives a referral from multiple Customers, only the Customer associated with the referral actually used by the referred friend will receive Credits.

The Program may not be combined with other NowRx referral programs or incentives.

Severability

If any provision in these terms are held to be invalid, void, or unenforceable, such provision (or the part of it that is making it invalid, void or unenforceable) will be struck and not affect the validity of and enforceability of the remaining provisions.

Termination and Changes

NowRx may suspend or terminate the Program or Customers' ability to participate in it at any time for any reason.

We reserve the right to suspend accounts or remove Credits if we notice any activity that we believe is abusive, fraudulent, disruptive or in violation of the NowRx Referral Program Terms and Conditions, company policy, or business operations of NowRx. We reserve the right to review and investigate all referral activities and to suspend accounts or modify referrals in our sole discretion as deemed fair and appropriate.

The scope, variety, and type of services and products that you may obtain by redeeming Credits can change at any time.

Updates to the Terms

We can update these terms at any time without prior notice. If we modify these terms, we will post the modification here which are effective upon posting. Continued participation in the Program after any modification shall constitute consent to such modification.
